

# RESOURCES AND PRACTICAL TOOLS

## **RESOURCES AND PRACTICAL TOOLS**

---

The Centers for Medicare & Medicaid Services is conducting an education campaign to inform people with Medicare about Medicare prescription drug coverage. This section provides additional information and resources from the campaign that you may find helpful in your outreach efforts.

This section includes:

- Visual aids
- Resources for more information
- Public relations materials
- Glossary
- CD (The toolkit contents and other resources are contained on this CD.)
